RECOMMENDED READING...

Mistaco! By Eliza Kinkz

Izzy is having a tough day! This book follows her through her day of mistakes as she learns the best way to deal with mistakes, regrets, or embarrassments: to whisper them into the fold of tortilla and make a misTACO. This heartfelt, chaotic and silly book uses Spanglish throughout to intentionally celebrate the cultural linguist experience of Latin families in the US.

Fall Surveys!

We will be sending out a second round of fall surveys in July. This is your opportunity to let us know of any schedule changes, or withdrawals from care. Please return these surveys by July 11th. School agers will have additional transportation paperwork to watch for to our before and after school programs!
